

Willand Preschool and the Gables Nursery

The Preschool and Nursery continue to grow, for the first time our turnover has passed half a million. We provide early years care for approx. 95 children and we employ 24 staff with most living locally.

The Preschool currently has 3 directors and we are always looking for people to join us. The role is unpaid but very rewarding! If you are interested, please contact us at the preschool.

Our numbers continue to grow and with some sessions full it is anticipated that we will need to expand to accommodate the new housing in the village. The government has changed funding for under two's which means the Nursery now has to run 5 days a week instead of 4. With an Ofsted rating of 'Outstanding' it provides a nurturing and caring environment for the under two's.

The Preschool rated as 'Good' by Ofsted has excellent leadership and well qualified staff to look after the older ones and with the recent addition of a new outdoor play area and air conditioning the site provides early years education to a high standard.
